How did you hear about the Northland Clown Guild?

Laughs cost nothing and are invaluable. We are a non-profit 501(c)3 organization and do not charge for our attendance. We love to make smiles and laughs. Would you like to make a donation to the Northland Clown Guild to assist in covering the costs of supplies and furthering the education of clowning in Kansas City?

May we put out a tip jar at the event?

In our effort to educate the positive nature of real clowns,
we will not participate in events that include any depiction of "scary clowns."
